Please note that by signing below you are recognizing that you must inspect all cartons that you receive for damage or loss. Should you find damage or loss this must be noted in writing (be specific) on the truck Bill of Lading before you or your employees sign for the shipment. If you do have damage or loss you must report it to us (in addition to noting on BOL) within 24 hrs. Any shipping quoted is based on outside (curb) delivery to a business; you must be able to unload off back of truck. Residential, jobsite, inside or lift gate service may be an additional charge. Custom order items, colors, and personalization on products are neither returnable nor refundable.
